**Item 8.01. Other Information**

On June 9, 2016, Fortive Corporation, (the “Company”), a subsidiary of Danaher Corporation (“Danaher”), agreed to sell an additional \$200 million aggregate principal amount of 4.300% senior notes due 2046 (the “additional 2046 Notes”). As previously disclosed, on June 6, 2016, the Company agreed to issue \$350 million aggregate principal amount of 4.300% senior notes due 2046 (the “prior 2046 Notes” and together with the additional 2046 Notes, the “2046 Notes”) pursuant to a private offering. Danaher will guarantee the 2046 Notes (the “Guarantees” and together with the 2046 Notes, the “Securities”) until the planned separation of the Company from Danaher occurs. The 2046 Notes will pay interest on a semi-annual basis. The additional 2046 Notes and the prior 2046 Notes will be treated as a single class of notes under the indenture governing such 2046 Notes and all such 2046 Notes are expected to be issued on June 20, 2016, subject to customary closing conditions.

The Securities are being sold in a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”) and to non-U.S. persons outside the United States pursuant to Regulation S under the Securities Act. In connection with the offering of the Notes, the Company expects to enter into a registration rights agreement pursuant to which it will agree to file a registration statement with respect to an offer to exchange the Notes for substantially identical notes registered under the Securities Act (or, under certain circumstances, a shelf registration statement covering resales of the Notes).

The Company intends to use the net proceeds from the offering of the additional 2046 Notes to make payments to Danaher as consideration for the contribution of assets to the Company by Danaher in connection with the separation, and to pay related fees and expenses and for general corporate purposes.

The Securities have not been registered under the Securities Act, and unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and other applicable securities laws.

Copies of the press releases announcing the offering and the pricing of the Notes are attached to this Current Report on Form 8-K as Exhibit 99.1 and 99.2, respectively, and are incorporated herein by reference.

**Fortive Announces Private Offering of Additional 4.300% Senior Notes due 2046**

WASHINGTON, June 9, 2016—Danaher Corporation (NYSE: DHR) and Fortive Corporation announced today, in connection with the planned spin-off of Fortive from Danaher, that Fortive intends to offer up to an additional \$200 million aggregate principal amount of 4.300% senior notes due 2046 (the “additional 2046 notes”), subject to market conditions and other factors. On June 6, 2016, Fortive agreed to issue \$350 million aggregate principal amount of 4.300% senior notes due 2046 (the “prior 2046 notes” and together with the additional 2046 Notes, the “2046 notes”) pursuant to a private offering. The additional 2046 notes to be issued in this offering and the previously priced prior 2046 notes will be treated as a single class of notes under the indenture governing such 2046 notes and all such 2046 notes are expected to be issued on June 20, 2016, subject to customary closing conditions. The additional 2046 notes are expected to be fungible with the prior 2046 notes. Danaher will guarantee the 2046 notes until the spin-off occurs. Fortive intends to use the net proceeds from the sale of the additional 2046 notes to make payments to Danaher as consideration for the contribution of assets to Fortive by Danaher in connection with the separation, and to pay related fees and expenses and for general corporate purposes. Fortive expects that the net proceeds of the additional 2046 notes will reduce incrementally other types of indebtedness Fortive had anticipated incurring to fund such payments.
