Dear Fortive Equity Plan Participant,

As a current Fortive employee who will join Altra Industrial Motion following the transaction, I want to share some important information regarding your outstanding equity awards.

Fortive and Altra partnered together to ensure that your Fortive equity awards will be replaced in the transaction with grants made by Altra that will provide you with comparable value while providing you with an opportunity to participate in Altra's long term growth.

Below includes important information regarding the treatment of your outstanding Fortive equity awards:

- Your awards will continue to vest under the existing terms up until the closing.
- Any options that are vested but unexercised at the time of closing (currently expected in Q4 of 2018) will be exercisable by you for up to 90 days after closing.
- Following the transaction, Altra will replace your unvested awards with grants of Altra's restricted stock or cash-settled restricted stock units, in each case, with comparable value and comparable remaining vesting schedule.

We appreciate that you may still have more questions regarding the transaction. We will continue to update you over the next several months with important details regarding the transaction, including additional details on how this will be managed. In the meantime, if you would like to discuss further, please feel free to e-mail your question to altraquestions@fortive.com.

Best regards,

Patrick Murphy
Senior Vice President
Fortive Corporation
